JOHN H. GLINES,

School Treas, for 1908

I have examined the accounts of school board and treasurer and find them correct and vouchers the same.

CHARLES S. MILES,
Auditor.

REPORT OF SCHOOL BOARD

Again we bring before our townspeople a report of our schools and we think the majority of them will agree with us that it has been a most satisfactory year.

There has been but little change of teachers and good earnest work on the part of our teachers has wrought unusually good results.

In the Cherry Mountain School, Mrs. Gertrude Rines did a faithful year's work, appreciated alike by parents and school board. Marked improvement was shown in her room, two or three of her pupils are working for High School admission. Mrs. Rines is a resident of this town.

Pine Grove school was taught first term by Miss Phillida Plaisted of Jefferson and the remainder of the year by Miss Grace McMillan of Littleton, who proved herself an ambitious young teacher and with added experience will no doubt be in the front rank. Her schoolroom was a model of neatness and order.

The Middle School was taught first term by Miss Alice Plaisted of Jefferson, the remainder of the year by Miss Alice Horan of the same town, who certainly seemed to be the right one in the right place. In her discipline methods of instruction and general manner she was most satisfactory and her interest in her work showed itself in every recitation. She is aiding ten of her pupils to enter Whitefield High school.

The Fabyan School was taught first term by Miss M. B. Maguire of Percy, and the remainder of the year by Miss Mamie Whalen of this town, who although a young teacher, loved her work and put into it her very best efforts, thus making a success. Miss Whalen's services are secured for the Spring term, much to the pleasure of the entire district.

The Twin Mountain Grammar and the Twin Primary were taught by Miss Florence Cheney of Littleton and Mrs. Florence

Allen of this town respectively, both are teachers of ripe experience and marked ability, and their work along each line is marked by progress and thoroughness. Mrs. Allen has taught many years in this, her own town and needs no introduction to our primary pupils, with whom she is a prime favorite.

Pupils on the Honor Roll for one and two terms are: John McGee, Arthur Greenwood, Veronica Burns, Stella McGee, Helena Fahey, Stella Houghton, Philip Quinn, Jennetta Quinn, Marguerite Monohan, Adelia DeLong, Mamie Nichols, Laura Palmer, Raymond Nelson, Myrtie Morgan, Gladys Nelson, Hazel Hunt, Anna Hunt, Lizzie Morgan, Bertha Morgan, Miriam Ewen, Mildred Ewen, Millard Ewen, Clayton Straw; for the entire year, four, Georgie Nichols, Gertrude Morgan, Oscar Rines and Bertha DeLong.

Again we urge parents to visit the schools, look over the written exercises and examinations of your children. We feel sure many pleasant surprises will be in store for you. Find out for yourselves how your children are being governed and taught, and also help the teacher by your hearty co-operation and warm support. There's nothing like it.

Respectfully Submitted

GEORGIANNA NELSON,

SIDNEY W. RINES.
